Detailed Action

The amendment filed on 2-11-2005 has been entered.

Applicant's election without traverse of Species I in the reply filed on 2-11-2005 is acknowledged.

Claims Rejection - 35 U.S.C. 112, second paragraph

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claim 38 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claim 38, "the elastic member" has no antecedent basis. It appears claim 38 should depend from claim 37.

Claims Rejection - 35 U.S.C. 102(b)

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claims 36, 37, 39 and 40 are rejected under 35 U.S.C. 102(b) as being anticipated by Palm (U.S. Patent No. 5,607,023).

Palm discloses a reciprocating saw (9) comprising a housing (10), a motor (16), a drive shaft (18), a spindle (40), a saw blade (42), and a drive mechanism (see Fig.7) including a gear (716, with teeth, see column 8, lines 53-55), a hub (710) and an elastic member (722) as claimed.

3. Claims 36 and 39 are rejected under 35 U.S.C. 102(b) as being anticipated by Bednar (U.S. Patent No. 5,689,891).

Bednar discloses a reciprocating saw (9) comprising a housing (10), a motor (16), a drive shaft (18), a spindle (40), a saw blade (42), and a drive mechanism (see Figs.5-6) including a gear (176), a hub (198) and structure (180,190) as claimed.

Indication of Allowable Subject Matter

1. Claims 20-33 are allowed.
2. Claim 38 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.
3. Claim 41 is objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.
